

Foreclosure Sale Receipt and Purchase Agreement

Seller: Mascoma Bank
67 North Park Street
Lebanon, New Hampshire

Purchaser: _____

Real Estate: 366 Washington Street, Claremont, Sullivan County, New Hampshire

The Seller hereby acknowledges receipt of \$20,000.00 from the Purchaser, as a down payment for the purchase of the Real Estate, foreclosed by it on this date (the “Initial Down Payment”), the Purchaser being the highest bidder at the foreclosure auction, with a bid of \$_____. The Purchaser agrees to pay by certified check, bank treasurer’s check, or other check satisfactory to the Seller, or by wire transfer to the Seller, A) 10% of the accepted bid price including credit for the Initial Down Payment (\$_____), within five calendar days from this date, and B) the balance of the accepted bid price, \$_____, within thirty calendar days from this date, at which time the Seller will execute and deliver to the Purchaser its foreclosure deed to the Real Estate. In the event the Purchaser fails to pay the 10% deposit or the balance of the accepted bid price, the Seller, at its option, may consider the Initial Down Payment as liquidated damages for default in this Purchase Agreement.

New Hampshire law (RSA 477:4-a) requires that the following notifications regarding risks associated with the ownership of any property:

“Radon: Radon, the product of decay of radioactive materials in rock, may be found in some areas of New Hampshire. Radon gas may pass into a structure through the ground or through water from a deep well. Testing of the air by a professional certified in radon testing and

testing of the water by an accredited laboratory can establish radon's presence and equipment is available to remove it from the air or water.”

“Arsenic: Arsenic is a common groundwater contaminant in New Hampshire that occurs at unhealthy levels in well water in many areas of the state. Tests are available to determine whether arsenic is present at unsafe levels, and equipment is available to remove it from water. The buyer is encouraged to consult the New Hampshire department of environmental services private well testing recommendations (www.des.nh.gov) to ensure a safe water supply if the subject property is served by a private well.”

“Lead Paint: Before 1977, paint containing lead may have been used in structures. The presence of flaking lead paint can present a serious health hazard, especially to young children and pregnant women. Tests are available to determine whether lead is present.”

Purchaser acknowledges receipt of the Water Supply and Sewage Disposal Disclosure required by NH RSA 477:4-c,d and attached hereto as Exhibit A, and hereby agrees that Seller has complied with all requirements of that statute.

Purchaser acknowledges receipt of the Public Utility Tariff Disclosure Pursuant to NH RSA 477:4-h and attached hereto as Exhibit B, and hereby agrees that Seller has complied with all requirements of that statute.

(intentionally left blank)

This agreement incorporates the terms and conditions contained in the Notice of Mortgagee's Sale dated March 26, 2018 and such other terms and conditions as may be announced by the Seller at the foreclosure auction.
